## GENERAL POLICIES

1. All rentals are for 1 day use. Items can be delivered the day before and picked up the day after (excluding Sundays and Holidays). Sometimes during the busy season, we will deliver 2 days before and pick up 2 days after. We will confirm this with you.
2. Payment in full is expected upon delivery unless credit has been established before delivery. Some items require a nonrefundable deposit.
3. A credit card deposit is required with each rental. Additional use charges and shortages may be charged to you account.
4. Deliveries are made during our normal business hours. If you need special times for deliveries or pick ups, please call our office.
5. Delivery charges vary depending on geographical area. If delivery is made out of the immediate St. Louis area, an additional delivery charge will be added. Please call the office for those charges.
6. There is no credit for unused items once delivered.
7. You are responsible for the rental equipment while it is in your possession. You need to insure its protection from weather and theft.
8. Our prices are for ground floor delivery during regular working hours. For deliveries other than ground floor, or after hours, please call for pricing.
9. We make every attempt to insure the quality and reliability of the equipment we rent. If there is a problem with the equipment, please call our office.
10. Every effort is made to fill your order exactly as you requested. If circumstances beyond our control prevent us from doing so, we reserve the right to upgrade the quality or find a substitute product.
11. All equipment is to be broken down for pick up. For health purposes, china, glassware, flatware, and chafing dishes must be rinsed. An additional charge may be assessed if items are not rinsed.
12. Tent rentals require a contract and a 50% deposit. If the rental is canceled more than 30 days before the use date, the deposit will be returned. Without a contract, we cannot guarantee you a tent.
